**Subject:** RE: Dimock - Estimated Costs

Rupert,  
Remember, these cost projections are for the sampling event only, not the work we have already performed, nor the work which will need to be done after the sampling event (i.e data management, report writing, etc).

**Subject:** Dimock - Estimated Costs

Rupert,  
Here are a couple of cost estimates for the sampling event at the Dimock Site.

Based on 1 sample team and 1 sample management team (working through the timeframe already specified (1/18 – 1/28)

- Ex. 4 - CBI hours (\$59,136.00)
- Lab Subcontract Costs (\$12,875.00)
- ODC Costs (\$75,066.00)
- Total Costs (\$147,077.00)

Based on 2 sample teams and 1 sample management working through 3 weeks.

- Ex. 4 - CBI hours (\$126,672.00)
- Lab Subcontract Costs (\$12,875.00)
- ODC Costs (\$84,675.00)
- Total Costs (\$224,222.00)

Please remember these are rough numbers and I will try to refine them throughout the morning.  
Thanks,

Suddha Graves
